TECHNOLOGY CENTER R3700

Dear Sir:

Pursuant to 37 C.F.R. § 1.56, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached Form PTO-1449. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

This Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits. No certification or fee is required.

The references were cited in a counterpart foreign application. An English language version of the foreign search report is attached for the Examiner's information. US Patent Nos. 5,107,856, 5,843,146 and 6,134,477 have previously been provided to the US Patent and Trademark Office in an Information Disclosure Statement filed on April 26, 2001.

By submitting these references, Applicant does not admit that the references are prior art to or material to this application, and reserves the right to establish that any reference is not prior

art. Applicant does not represent that the references have been reviewed in detail; there may be details in the references of which Applicant is unaware.

Respectfully submitted,

Date: February 11, 2003
